The Company may provide, at the request of a Proposed Insured, a pro-forma policy illustrating the coverage that the Company may provide. A pro-forma policy neither reflects the status of Title at the time that the pro-forma policy is delivered to a Proposed Insured, nor is it a commitment to insure.

SCHEDULE B, PART I—Requirements

All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
5. Warranty Deed from Angelia L. Gordon, as a single person or persons, and joined by spouse (or their respective spouses), if married, to A Natural Person or Legal Entity to Be Designated, conveying the property described in Schedule "A". In the event that the property being conveyed is not the homestead of the grantor(s), the following statement should be set forth on said deed in lieu of a spouse's signature:

The land described herein is not the homestead of the grantor(s), and neither the grantor(s) nor the grantor(s) spouse, nor anyone for whose support the grantor(s) is responsible, resides on or adjacent to said land.
6. The Company is to be advised as to the identity and nature of the proposed insured under the owner's policy/mortgagor under the mortgage policy, and reserves the right to make such additional requirements as it may deem necessary.
7. NOTE: Because the land appears of record to be unencumbered, the Company requires that the affirmative declarations of the title affidavit, which includes a representation that there are no mortgages or other liens against the land whether recorded or not recorded, be properly emphasized before execution. Just as in all transactions, every seller/borrower must be encouraged to disclose any off record encumbrance, lien, or other matter that may affect title before the Company is willing to rely upon the representations contained within the title affidavit.
8. Note: This preliminary report/commitment was prepared based upon an application for a policy of title insurance that identified land by street address or assessor's parcel number only. It is the responsibility of the applicant to determine whether the land referred to herein is in fact the land that is to be described in the policy or policies to be issued.
9. Satisfactory verification from appropriate governmental authorities that any and all unrecorded Special Taxing District Liens, City and County Special Assessment Liens, MSBU Assessment Liens, Impact Fees, and Water, Sewer and Trash Removal Charges, have been paid.
